

Gateway Services for Jobseekers

GTNT Group Australian Apprenticeship Support Network provides Gateway Services to jobseekers. As a jobseeker, the Gateway Officers will discuss your career goals and utilise our suite of career assessment tools to identify the most suitable career pathway for you.

We can assist to match you with suitable employers to undertake your apprenticeship!

Register

- ◆ Register through our Gateway jobs board <https://aant.jobreadygateway.com.au/vacancies>

Career Advice

- ◆ Gateway will undertake preliminary screening to assess your skill level and apprenticeship commitment.
- ◆ Provide advice on other services available to jobseekers who are not apprenticeship Ready.
- ◆ Resume writing assistance and interview preparation.
- ◆ Recommend the right training and employment pathway for jobseekers.

Testing

- ◆ Administer fit-for-purpose tests which effectively assess a jobseekers skill level and apprenticeship commitment.
- ◆ Compile and interpret the results of testing.

Matching

- ◆ Referral to suitable employers wishing to employ an Apprentice.
- ◆ We can help to support and match out of trade apprentices with a new employer.

For more information on Gateway Services please contact one of our friendly Gateway Officers to arrange a face to face or electronic information session.
